EDUCATION

CHRIST (Deemed to be University), Bangalore (Aug 2022 - May 2025)

B.B.A. Finance and International Business

EXPERIENCE

Tap Capital | Special Projects Associate |Bangalore (Aug 2025 - Aug 2026)

(converted into a full-time role based on performance)

- Built a rules-based lender recommendation engine by mapping underwriting policies, eligibility rules, and product-fit criteria across 20+ banks and NBFCs, reducing manual lender matching and improving deal evaluation speed.
- Evaluated 150+ SME financing cases across working capital, invoice discounting, LAP, and supply chain finance products through financial statement analysis, GST reviews, bank statement analysis, and risk assessment.
- Expanded strategic partnerships and business development outreach by engaging 150+ companies monthly and supporting lender, FLDG, and DSA initiatives that contributed to a ₹10 lakh cross-sell revenue achievement in a single month.
- Led strategic projects spanning lender partnerships, quick commerce financing, vendor evaluation, and internal process design, coordinating across founders, credit teams, operations, and external partners.
- Built SOPs, designed tracking systems and management reporting workflows covering FLDG pipelines, case evaluations, outreach KPIs, and monthly target reviews to improve operational visibility and execution.
- Conducted market and competitive research across 12+ fintech and supply chain finance platforms, analysing products, AUM, credit models, partnerships, and competitive positioning to support strategic decision-making.

Dilip Buildcon Limited | Finance Intern |Bhopal (May 2024 - Jun 2024)

- Prepared financial statements and handled credit rating and KYC documentation; worked on financial analysis and reporting.
- Streamlined operations by coordinating interdepartmental activities and adapting to dynamic project requirements.
- Collaborated with cross-functional teams to implement improvements, demonstrating teamwork and problem-solving skills.

RESEARCH PROJECTS

Analysing the Trends of Foreign Direct Investment (FDI) Inflows in India (2014-2024) *(Individual, Unpublished)*

- Conducting a comprehensive analysis of FDI inflows in India over the past decade, examining the impact of policy reforms, sector-wise trends, and comparisons with other emerging economies.

The Role of Microfinance in Empowering Women Entrepreneurs in Bangalore *(Group, Unpublished)*

- Explored the impact of microfinance on women entrepreneurs. Conducted interviews, data collection, and analysis, identifying socio-economic barriers and recommending personalised interventions for policy improvement.

Factors Influencing the Investment Behaviour of Graduate Students in Bangalore *(Group, Unpublished)*

- Investigated key determinants affecting undergraduate students' investment decisions, including financial literacy, risk perception, and family support. Led data collection and analysis, recommending solutions to promote investment practices.
